Flat Roofing

TPO / Flat Roofing

Thermoplastic Polyolefin (TPO) is the industry-leading membrane system for flat and low-slope roofs. BC Roofing has extensive experience installing TPO systems on commercial buildings, multi-family developments, and modern architectural homes. White TPO reflects UV rays, keeping buildings cooler and reducing energy costs.

- 60 mil and 80 mil TPO membranes
- Heat-welded seam installation
- Energy Star rated systems
- Drain and scupper installation
- Manufacturer warranties available

Who We Are

About BC Roofing

A family-owned roofing company with over 60 years of combined experience.

Our Story

Southern Utah's Family Roofing Company

BC Roofing was built on a simple belief: do the job right, treat people fairly, and stand behind your work.

We are a family-owned and operated roofing company serving homeowners, custom home builders, and commercial developers throughout Washington County and Southern Utah. BC Roofing was founded with the goal of bringing skilled craftsmanship, professional service, and honest pricing to every project we take on — no matter the size.

What sets us apart is our team. Devin, Mike, and Bibian collectively bring over 60 years of hands-on roofing experience to every job site. Each brings expertise across a wide range of roofing systems, and together they've built a reputation as one of Southern Utah's most trusted roofing crews.

From complex tile installations on multi-million dollar custom estates, to large-scale commercial TPO systems — BC Roofing has the skills and experience to handle any roofing challenge in the Southern Utah market.

Leadership

Meet the Team

Devin

Co-Owner & Lead Installer
With decades of hands-on roofing experience, Devin oversees project execution and quality control. He has installed tile, metal, shingle, and TPO roofs across the region.

Mike

Co-Owner & Project Manager
Mike coordinates scheduling, client communication, and builder partnerships. His extensive field experience ensures every project runs smoothly from

start to finish.

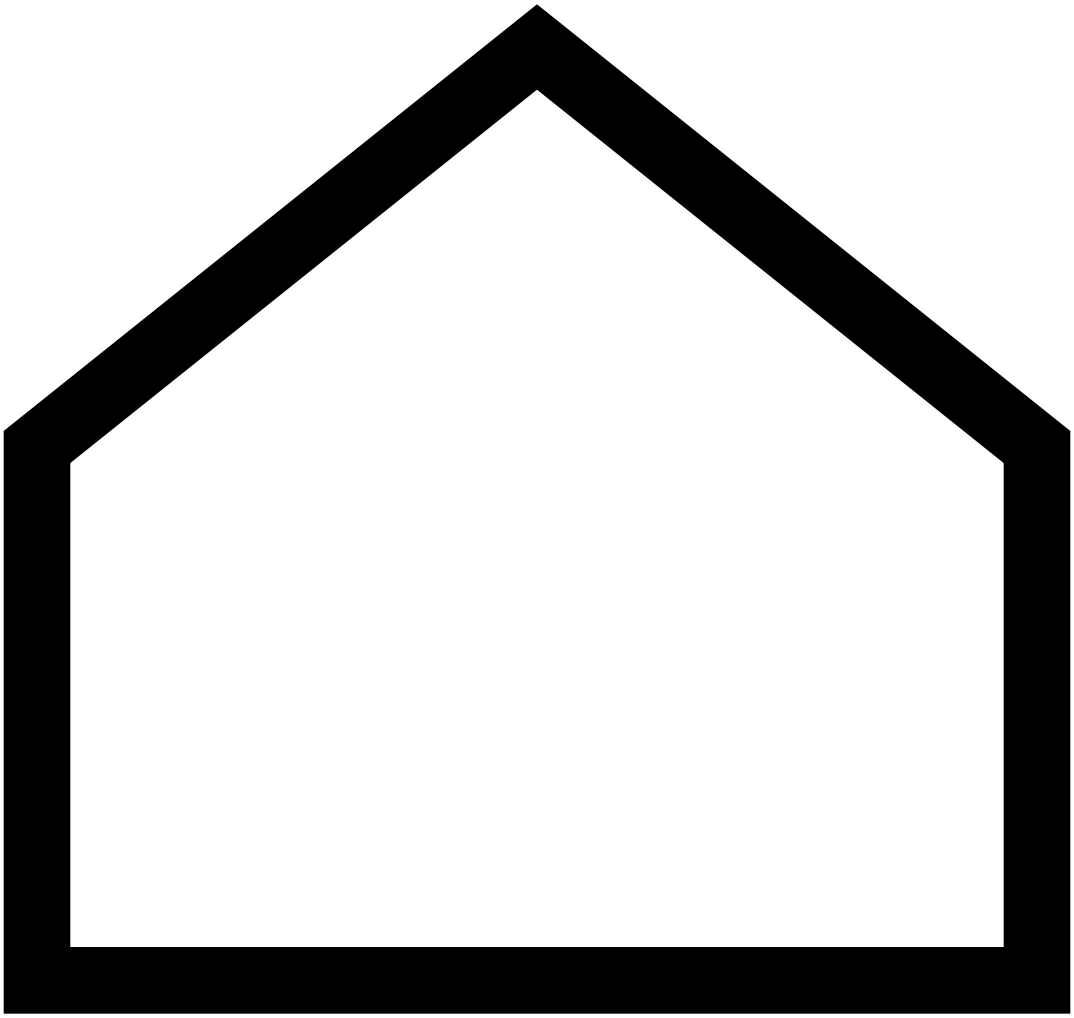
Bibian

Co-Owner & Field Supervisor
Bibian's deep expertise in roofing systems — particularly tile and TPO — makes him the go-to for complex installations and large commercial projects.

Our Expertise

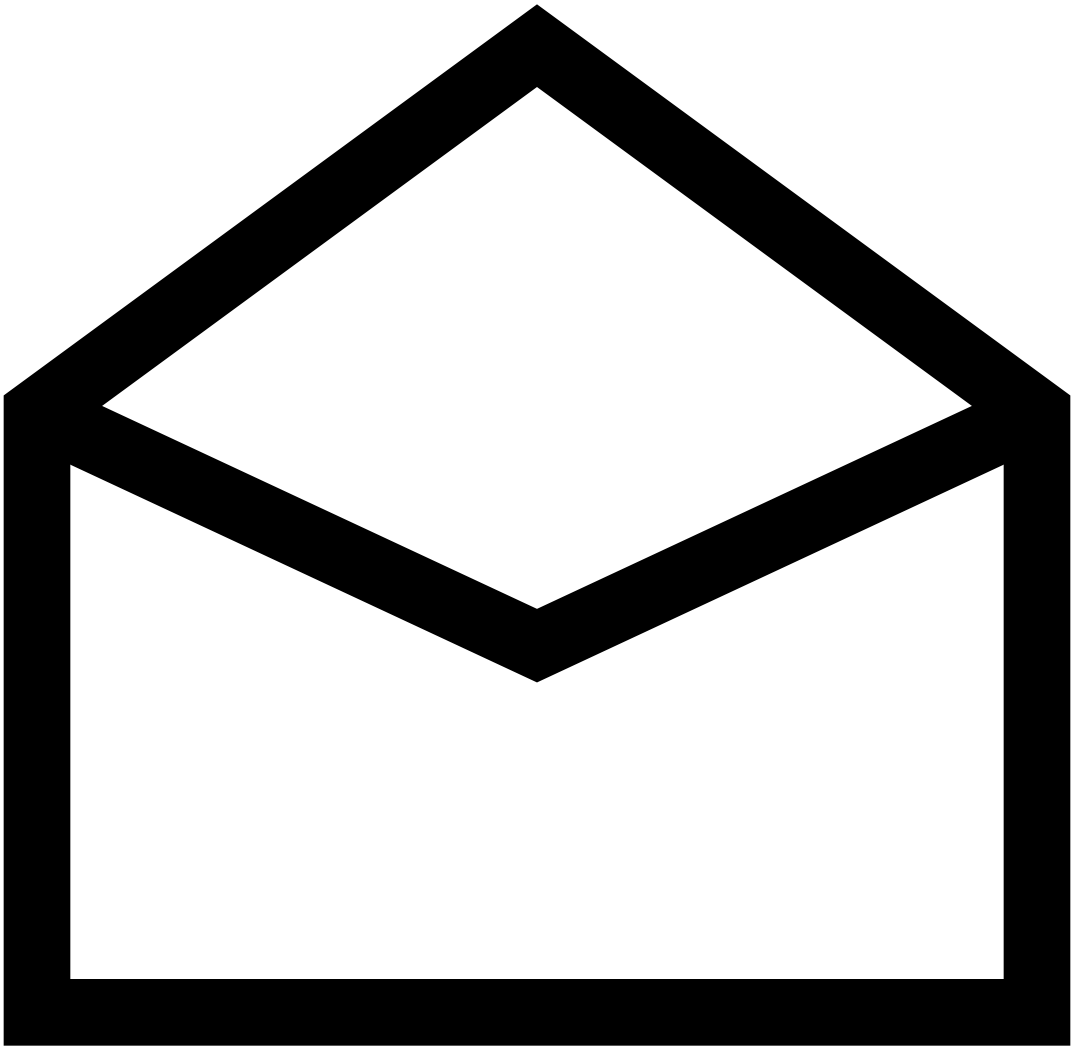
Built on Experience

Between Devin, Mike, and Bibian, our team has installed virtually every type of roofing system available. This breadth of expertise means we can recommend the right system for your project — not just the easiest one to install.



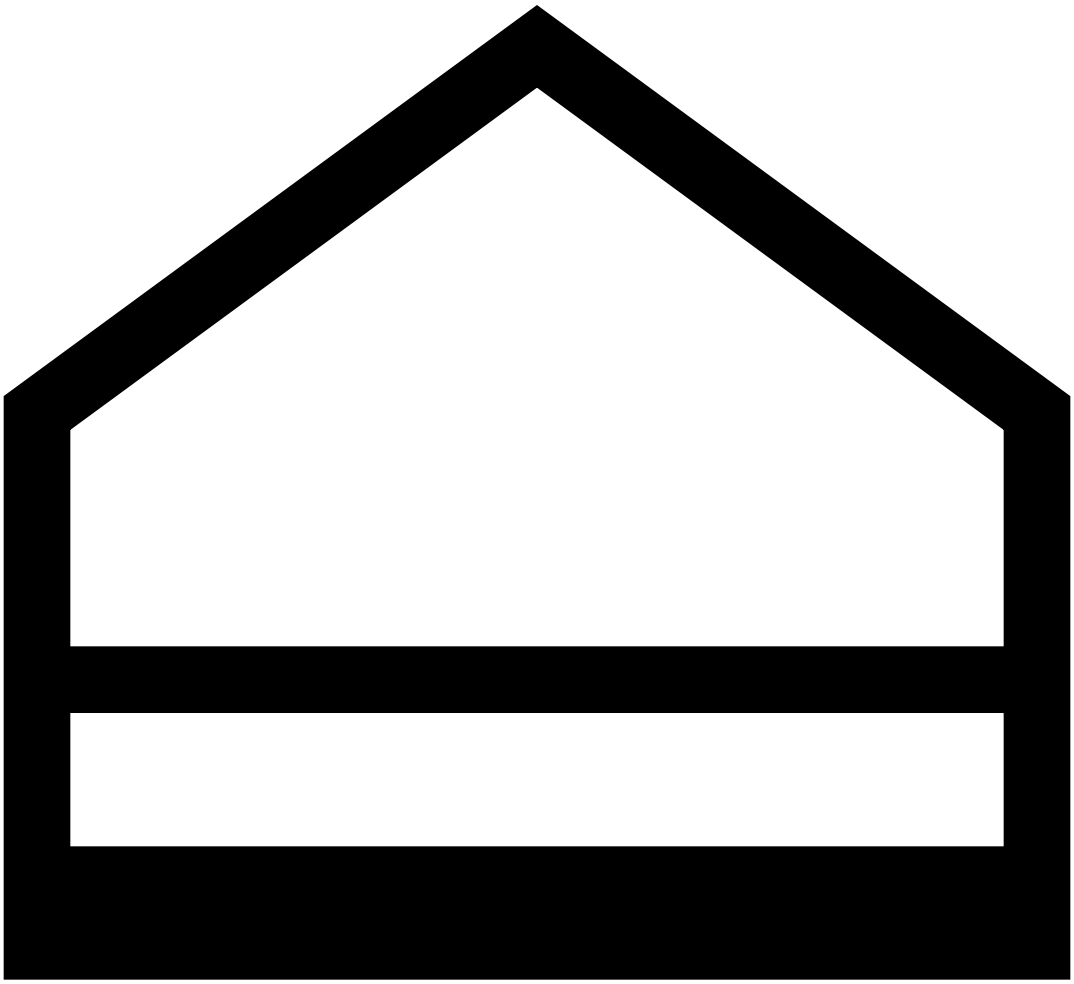
Tile Roofs

Clay, concrete, slate, and specialty tile systems for luxury homes and estates.



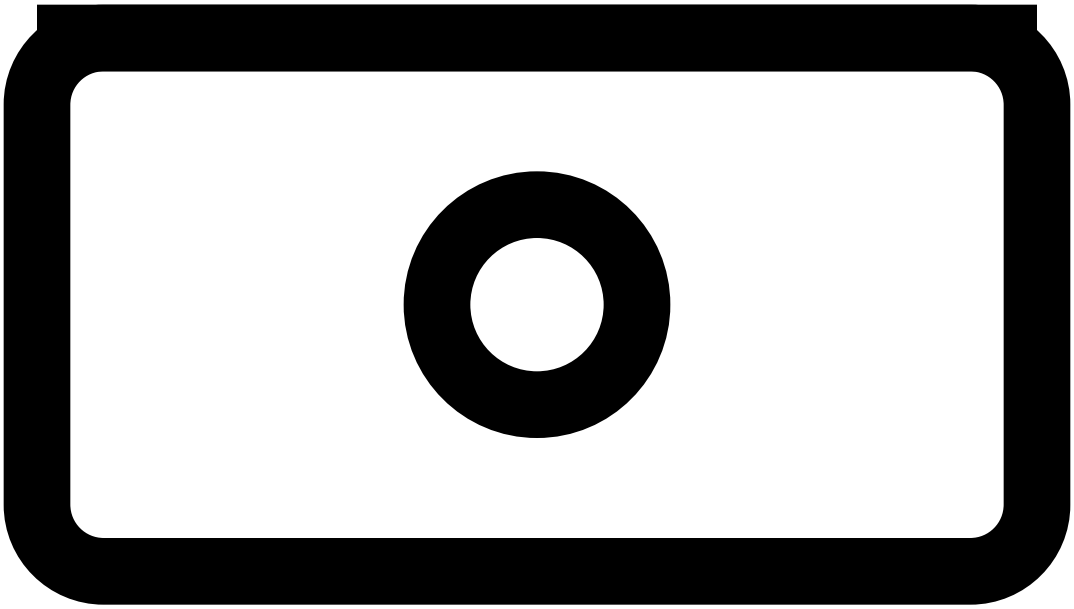
Metal Roofs

Standing seam, corrugated, and metal shake panels for modern and traditional homes.



Shingle Roofs

Architectural and 3-tab shingles from top manufacturers with full warranties.



TPO Roofing Systems

Commercial and low-slope TPO membrane systems installed to manufacturer standards.
